The floor plan for the 3000 level is a large rectangular area with a green border. It contains numerous rooms, each labeled with a number. The layout is organized into several sections. On the left side, there are rooms numbered 3029 down to 3001. In the center, there are rooms numbered 3170 down to 3001. On the right side, there are rooms numbered 3190 down to 3001. The bottom of the plan features a large open area with the text 'UPPER LOCKERS' and '3063-3068' in the center. There are also two sets of stairs, one on the left and one on the right, both labeled 'UPPER LOCKERS'. The plan includes various structural elements like walls, doors, and elevators. The room numbers are arranged in a grid-like pattern, with some rooms having multiple levels or sub-sections. The overall design is clean and professional, with a clear distinction between different functional areas.
