The diagram illustrates the layout of the U-Haul Storage of Neenah West facility. It shows six buildings (A-F) arranged in a U-shape around a central area. Each building contains a grid of storage units, with room numbers ranging from 101 to 640. A central 'LOAD/UNLOAD AREA' is highlighted in green. A legend indicates that green outlines represent 'CLIMATE CONTROLLED' units and blue outlines represent 'ADA ACCESSIBLE' units. A 'GATE' is located on the right side of the facility. A green starburst graphic on the right side of the diagram reads 'CLIMATE CONTROLLED 65° - 85°'.
